

## Mission and Vision

### Mission:

To unite scouts and Virginia military veterans in safe and educational forums to memorialize Virginia's veteran and scouting history through oral history interviews.

### Vision

- **Conduct** oral history interviews between Heart of Virginia Council Scouts and Virginia's veterans.
- **Schedule and perform** interviews with a diverse and inclusive group of veterans, with the spirit and intent of building a comprehensive program where all veterans' stories can be told.
- **Strengthen** the historical relationship between scouting and veterans.
- **Create** accessible history to serve as a foundation for telling the history of veterans and scouting in the State of Virginia.
- **Enable** unique opportunities for scouts to learn and transfer multi-generational and multi-cultural knowledge.
- **Enable** unique opportunities for scouting community service and advancement.
- **Develop** a program that is self-sustaining and continuous.
- **Build** with ease and build with grace.
